## National knowledge in your local area

Tolent Construction's five UK offices, in Tyneside, Teesside, Yorkshire/Midlands, Lancashire and London have each been responsible for successfully completing a huge variety of construction projects, covering a wide spectrum of end uses, but each linked by the vital conclusion of completion on time and on budget.

Our philosophy is to provide a professional, comprehensive service to clients over a wide range of contracts. We believe in providing full commitment at all levels of the company to ensure customer satisfaction.

This publication concentrates on the outstanding extent of construction knowledge and expertise available to you from our Head Office in Tyneside.

Wherever your next construction project will be located we can provide a blend of nation-wide know-how and local experience to ensure it is designed and built to the best possible standards

- just like the examples illustrated here.
